

CROSSROADS Camp

REGISTRATION CHECKLIST

Manhattan, KS

GUARDIAN!!!!--PLEASE MAKE SURE THE FOLLOWING IS DONE PRIOR TO REGISTRATION:

--Check your camper for head lice BEFORE coming to registration. They will be checked at registration. *If your teen shows up with lice, they will not be able to attend camp.*

--Medications MUST be packaged in baggies for EACH time they are given, with the camper's name and the time they are to be taken. *Example: If Camper takes 3 different meds at 3 different times each day, they would have 3 baggies, each with 3 meds in them for each day with the Camper's Name and the time of taking them written on each baggie. **More clarification at end of document.*

ITEMS CAMPERS NEED TO PACK:

Sleeping Bag	4 pairs of socks
Pillow & Sheet (to cover up with)	4 pairs of undergarments
Tennis Shoes (no open-toed shoes-except for the pool)	1 sweat shirt
3 pair of pants	1 jacket
3 pair of shorts	Swim suit & swim towel
2 shirts	Toiletries
Towel for showers	

--ITEMS NOT TO BRING TO CAMP:

Electronic items such as – cell phone, iPods, MP3s, CD players, laptops, etc., cigarettes, tobacco, firearms, weapons, food, snacks, anything valuable.

****Additional clarification of bringing medications:**

Due to confusing and missing medications being brought to Camp Registration, we are implementing the following NEW RULE:

All medications MUST be packaged in baggies for EACH time they are given, with the camper's name and the time they are to be taken.

Example:

If Camper takes 3 different meds at 3 different times each day, they would have 3 baggies, each with 3 meds in them for each day - the camper's NAME and the time of taking them written on each baggie.

This is how medications **MUST** come to registration. If your camper arrives and this is *NOT* how the medications are done, your camper (and driver) will have to wait until the medical staff can sit down *with the camper and driver* and get them set up this way. Or your teen may not be able to attend camp.

PLEASE make sure this is done!!
